GOLDEN SHOWERS

I think they should make a Fortune 500 Donald Trump; it's like a regular Donald Trump, only richer in taste.

TRUMP'S DREAM OF PAUL RYAN

Apparently DT snores so loudly that he scares everyone in the car he's driving.

JOBS

It's so cold outside I saw Donald Trump with his hands in his own pockets.

EMINENT DOMAIN

When will we come to our senses and figure out how many Donald Trumps are in the country?

LISTS

Well, I'd say the race card has been officially Trumped.

MAGA

The problem with being Donald Trump is that by the time he realizes he's not in shape, it's too far to walk back.

PYONGYANG STRUT

Stockholm disease is the predictor of Trump's worst nightmare.

BOSOM PALS

So there's Mike Pence in a suit walking down the street, and he sees this dog laying there licking his balls, and he says to Ivanka, "boy, I sure wish I could do that," and Ivanka says, "don't you think you ought to pet him first?"

JUST GRAB EM

Who was the world's first carpenter? Eve, because she made Trump's banana stand.

TRUMP IN NORTH KOREA

Donald Trump is like toilet paper, he's either on a roll or taking shit from asshole.

POLICE LINE

What's the difference between Donald Trump and his job? After it's over, Donald Trump will still suck.

What's worse than waking up at a party with a penis on your face? Finding out it's Donald Trump.

Why couldn't Donald Trump cross the road?
